6. After you have successfully filled out the form. You will be taken to your account login page. From here you can manage your payments, configure auto pay, and update account information.

The screenshot displays the 'works' account management interface. At the top, there are navigation tabs for 'Billing', 'Data Usage', and 'Contracts', along with 'My Details' and 'Log Out' links. A language dropdown menu is set to 'English'. The main content area is divided into two sections: 'Amount Due' and 'Account Details'. The 'Amount Due' section shows '\$0.00' and a blue 'Make a payment' button. The 'Account Details' section lists: Account Number (1), Total Balance (\$0.00), Next Billing Date (Feb 24, 2019), and Next Billing Cycle Amount (\$35.00). Below these sections is an 'Invoices' section with tabs for 'Invoices' and 'Credit Cards'. A table header for invoices includes 'Date', 'No.', 'Amount Due', 'Due Date', and 'Download'. The table currently shows 'No invoices found.' A red arrow originates from the 'Make a payment' button and points to the 'Credit Cards' tab.

If you have any issues creating your account please call 815.200.4799.
